High performance A3+ printer

Get professional colour prints

at up to **50%**

cost-per-page savings over A4 lasers[1]

HP Officejet Pro K8600 Printer series

HIT **PRINT**
AFFORDABLY

[1] Cost per page (CPP) laser supplies comparisons based on published specifications of the majority of manufacturers' highest capacity cartridges available for laser printers under US$300 as reported by Current Analysis West, an NPD Group Company, as of September 2007. Officejet CPP based on HP 88XL Officejet Ink Cartridges (sold separately) and estimated street price and published yield for colour prints. Results may vary.

Easy networking for up to five users on a small network (built-in networking on HP Officejet Pro K8600dn only)[1]

High-capacity inks[2] deliver up to 2,450 pages (black), 1,700 pages (colour)

High-capacity input tray
Up to 250 sheets

The HP Officejet Pro K8600 Printer series deliver fast, professional colour quality prints at up to 50% lower cost-per-page than A4 lasers[5], using HP Officejet inks. Get impressive prints on a wide range of media, from 3 x 5-inch to 13 x 19-inch. Ideal for everyday print jobs and in-house marketing projects, these high performance A3+ printers with wired networking and two-sided printing[1] offers great savings.

[1] Wired networking and two-sided printing functions are standard on the HP Officejet Pro K8600dn Printer, and optional on HP Officejet Pro K8600 Printer (not included, please purchase separately).

[2] High-capacity cartridges not included, please purchase separately. Yield varies considerably based on content of printed pages and other factors. Included ink may be used for printer set up. See www.hp.com/go/learnaboutsupplies

HP Officejet K8600 Printer series cartridge compatibility

HP 18 Officejet Ink Cartridges

Standard
Reliable ink for precise, everyday printing

HP 88XL Officejet Ink Cartridges

Value
Print more, save more with high-capacity cartridges

Lower running cost than laser: Print professional colour quality at a cost up to 50% lower per page than A4 lasers, using HP Officejet ink[1]

Save cost with 4 individual ink cartridges and only replace cartridges that run out

Exceptional laser-like printing performance with each original HP ink cartridge—no smudges or leakage

Free, convenient recycling of cartridges though the HP Planet Partners Program[2]

Why buy Original HP print cartridges

Exceptional value Original HP print cartridges produce twice as many printed pages as compared to refilled ink cartridges[3].

Exceptional quality Over 20 years of research and development have gone into the design of Original HP print cartridges to ensure that you get impressive and consistent print and photo quality every time.

Exceptional reliability In a recent study, 42% of the refilled cartridges were "dead on arrival" or failed prematurely[3]. With Original HP print cartridges, you can expect consistent, reliable and flawless performance.

Environmental commitment HP's Planet Partners Program[2] ensures that Original HP print cartridges collected are recycled responsibly. All cartridges returned to the programme go through a multi-phase recycling process, and various parts are reduced to raw materials that can be used to make new metal and plastic products.

Choose HP papers for optimal printing results

For long-lasting prints and professional results, complete your printing needs with…

HP 120 Professional Paper (Matte)

Ideal for professional-quality presentations, proposals, reports and newsletters

- Impressive image quality with vibrant colours and graphics
- Coated on both sides for two-sided printing
- Professional weight—heavier and more opaque

HP Premium Plus Photo Paper

Ideal for high-resolution photo printing with professional quality that resist fading for generations[4]

- Smooth high-gloss/soft-gloss finish, sturdy thickness and weight rival professional photographs
- Unique HP back coating helps prevent prints from sticking when stacked

[1] Cost per page (CPP) laser supplies comparisons based on published specifications of the majority of manufacturers' highest capacity cartridges available for laser printers under US$300 as reported by Current Analysis West, an NPD Group Company, as of September 2007. Officejet CPP based on HP 88XL Officejet Ink Cartridges (sold separately) and estimated street price and published yield for colour prints. Results may vary.

[2] HP ink cartridge return and recycling is available in 49 countries and territories around the world, covering 88% of the addressable market; see www.hp.com/recycle for details.

[3] Results of 3rd party testing, commissioned by HP done by TÜV SÜB PSB Ltd—2010 Reliability Comparison Study Asia. Ink cartridges tested 45, 78, 56, 57, 60 Black & 60 Tri-colour. Full report available at www.tuv-sud-psb.sg/reportdisclaimer.aspx. Applicable for selected Original HP Ink Cartridges only.

[4] Fade resistance for up to 115 years. Fade performance (under glass) achieved with newest technology HP inkjet print cartridge models and HP Premium Plus High-glass Photo Papers. Performance varies with inkjet print combination used. See www.hp.com/paper for more details.

Convenient rear feed for wide-format poster-size projects

Automatic duplexer Save as much as 50% paper cost with automatic two-sided printing (duplexer included on HP Officejet Pro K8600dn only)[1]

Enjoy professional quality prints at a low cost-per-page with HP Officejets inks

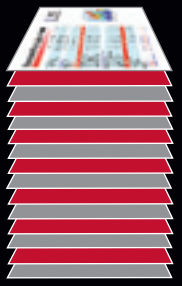
Media versatility Enjoy borderless printing[3] from 3 x 5-inch to 13 x 19-inch

Save up to 50% per page over A4 lasers[5]

Get professional colour quality and laser-quality black printing at a lower cost-per-page than A4-size lasers, using HP Officejet inks. Enjoy significant savings:

- up to 50% lower colour cost-per-page than A4 laser printers[5]
- up to 40% lower black cost-per-page than A4 laser printers[6]

Plus, with the optional high-capacity ink cartridges, you can enjoy high page yields of up to 2,450 A4 pages black and 1,700 A4 pages colour[2].



Up to **50%** lower colour cost-per-page than A4 lasers

Up to **40%** lower black cost-per-page than A4 lasers

[3] Borderless printing is available on brochure and photo papers only.

[4] Laser Quality Speed is an HP measurement method representing the print speed of typical office documents in default mode. Compared to published speeds by laser manufacturers as of September 2007. Test methods may vary.

Fast performance with breakthrough speeds

Print general business documents at breakthrough print speeds of up to 35 ppm black, 35 ppm colour (A4); or professional documents at laser quality print speeds of up to 13 ppm black, 10 ppm colour (A4)[4].

Draft speeds up to

35 ppm black | **35** ppm colour

Speeds equivalent to a laser printer[4] with up to

13 ppm black | **10** ppm colour

A3+ versatility

Produce stunning marketing materials in-house and save money without having to outsource. Print postcards, letters, envelopes, spreadsheets, brochures, posters and more—HP Officejet Pro K8600 Printer series supports media sizes from 3 x 5-inch to 13 x 9-inch, and a wide range of media types and weights. You can even enlarge documents up to 25 times their original size with the printer's poster printing capability.

3" x 5"

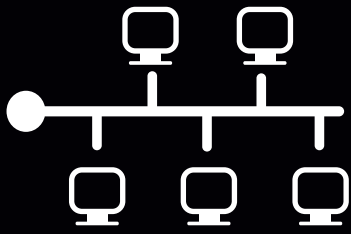
13" x 19"

Easy media handling

For wide-format poster-size projects, use the printer's convenient rear feed which supports media weights up to 280 g/m^2. For optimum efficiency, the printer comes with a 250-sheet input tray and supports for automatic two-sided printing[1].

Networking capabilities

Easily connect up to five users on a small network by adding an optional HP JetDirect external print server[1]. For easy plug and play, choose HP Officejet Pro K8600dn Printer with embedded networking capabilities.



[5]Cost per page (CPP) laser supplies comparisons based on published specifications of the majority of manufacturers' highest capacity cartridges available for laser printers under US$300 as reported by Current Analysis West, an NPD Group Company, as of September 2007. Officejet CPP based on HP 88XL Officejet Ink Cartridges (sold separately) and estimated street price and published yield for colour prints. Results may vary.

[6]Cost per page (CPP) laser supplies comparisons based on published specifications of the majority of manufacturers' highest capacity cartridges available for mono laser printers under US$200 as reported by Current Analysis West, an NPD Group Company, as of September 2007. Officejet CPP based on HP 88XL Officejet Ink Cartridges (sold separately) and estimated street price and published yield for mono prints. Results may vary.

Technical specifications

HP Officejet Pro K8600 Printer series

Print technology	HP Thermal Inkjet		
Print resolution	Black & white: Up to 1200 x 1200 dpi Colour: Up to 4800 x 1200 optimised dpi colour (on premium photo paper, 1200 x 1200 input dpi)		
Print speed[1]		**Draft**	**Laser Equivalent**[2]
Letter/A4 black	Up to	35 ppm	13 ppm
Letter/A4 colour	Up to	35 ppm	10 ppm
